Year 2004 : General Committee Member
Year 2005 – 2023 : Vice Chairman

BUSINESS ACTIVITY

業務性質

Fred Burke is a Senior Advisor of Baker McKenzie Vietnam. He has been working in Vietnam for over 30 years, prior to which he practiced with the Firm in China and New York. He is well recognized for his work on foreign investment projects for key players in the renewable energy sector and has assisted leading global solar and wind energy companies through all aspects of project development, financing, construction and operation. He has extensive experience working closely with Vietnamese legislators and drafters of legislation on the many new laws and decrees that have been introduced to integrate Vietnam into the global economy.

He served for over a decade on the Administrative Procedure Reform Council to the Prime Minister, and Alternative Representative of the American Chamber of Commerce in the Vietnam Business Forum. A founding board member of AmCham in Vietnam, he also serves as vice-chairman of the Executive Committee of the Hong Kong Business Association in Vietnam (Year 2005 - 2023).

COMMITMENT TO HKBAV

將對商會作出之貢獻

I intend to continue to try to help HKBAV members succeed in their business in Vietnam by mobilizing Baker & McKenzie's resources to improve their access to valuable legal information. I also intend to do what I can to continue improving the Vietnam - HK economic relationship.

Year 2014 - 2023: General Committee Member

BUSINESS ACTIVITY

業務性質

General Director of Arup Vietnam Ltd which is an engineering design company focusing mainly on the building sector in Vietnam. Our company currently employs around 60 staff, 50 of which are professionally qualified. I have spent a total of 10 years working in Vietnam, with 5 of those being in Hanoi and 3 in HCMC. I have previous involvement of contributing to similar organizations being in the committee of BBGV Hanoi and the British Business Group of Macau.

COMMITMENT TO HKBAV

將對商會作出之貢獻

The regional Head Office for Arup Vietnam is located in Hong Kong. As such we continue to encourage exchange of skills and expertise between Hong Kong and Vietnam. We continue to transfer knowledge into Vietnam for specialist building projects such as the Landmark 81 Tower located in HCMC. We welcome members of HKBAV with similar business interests to work with us to promote the development of high quality buildings within the Vietnam market place.
