

Dear Members and guests, EuroCham is pleased to welcome you to attend

**EuroCham Business Dialogue at Sofitel Saigon Plaza, Thursday 1 October 2009**

# EuroCham Business Dialogue Economic review for the next 6 months

The Vietnamese economy is showing signs of recovery after a “considerable” slowdown in growth last year. In the first quarter, the Vietnamese economy went up by 3.1% year on-year, the growth climbed to 4.5% in the second quarter.

It is forecasted that Vietnam’s economic growth could rise to 4.7% this year (ADB).

Yet, there are issues on private consumption could slacken further because of slow economic activity, high unemployment, and rapid growth of stock market and property prices.

At this Dialogue, the expertise speakers will inform their analysis on the development of Vietnam’s economy for the second half of 2009 and prospects for 2010.
