

**The first rule to investing is to invest in something you understand.**

- \* Have you thought about investing in the Vietnamese stock market but been put off by all the hype?
- \* Would you like to get clear on the facts and understand what is happening in the securities industry?
- \* Do you want to know the “Ins” and “Outs” and practicalities of buying Vietnamese shares and stocks?
- \* Confused by technicalities like Trading Codes and Vietnam IPO formalities, over the counter (OTC) share trading vs. listed share trading?
- \* Want to know more about upcoming Blue Chip IPO's?

*If so, then don't worry, learn how to invest in the Vietnam Stock Market at our Business Essentials Seminar “You haven't missed the boat! Investing in The Vietnam Stock Market”*

**ABOUT THE SPEAKERS**

**ANZ Bank** 

**\* Mr. Philip Crouch**

ANZ's General Manager will be the MC for this event. Philip will also share his advice and experience with respect to linking trading accounts to banking accounts.

**Ernst & Young**   
*Quality In Everything We Do*

**\* Ms. Allanda McConnell**

As a Partner with Ernst & Young Vietnam and leader of the Transaction Advisory Services Division, Allanda has spent over 15 years in Vietnam developing an in-depth knowledge of the Vietnamese economy and marketplace that few expatriates can equal. Having worked in both corporate restructuring and finance-related projects as well as property and real-estate valuations (Allanda is a Certified Practising Valuer as well as an Australian-trained lawyer) Allanda has extensive experience on a wide range of buy-side and sell-side advisory projects. These include the acquisition of minority interests in several banks, an airline, and majority interests in hotels, apartments, manufacturing enterprises, oil & gas and service companies, automotive manufacturing, and farm and feed mill businesses.

**Saigon Securities Inc (SSI)** 

**\* Mr. Mai Hoang Khanh Minh** 

As the deputy director of securities business Mr. Minh coordinates and oversees both the brokerage and research departments at SSI. With a Masters of Applied Finance from Monash University, Australia behind him, Mr. Minh has been able to develop a keen insight into the local securities industry which few people can match.

Ms. Nguyen Hoang Mai and Ms Vo Nguyen Luong Anh, Securities Officers at SSI, will be on hand to share their experience and answer your questions. Both have studied and gained experience in the West.
