

# Business Luncheon The Vietnamese Economy Today: *Should We Panic?* The Untold Story

**MATTHEW LOUREY**  
Director of Corporate Finance  
Grant Thornton Vietnam

Matthew is an Australian Chartered Accountant who has extensive experience working within Big 4 international accounting firms and as a Fund Manager for property investment groups.

He has been based in Vietnam for over 3 years and provides consultancy advice across a broad range of Corporate Finance functions for entities within Vietnam or those looking to invest in Vietnam. His particular focuses include valuations, mergers and acquisitions, due diligence, feasibility studies and fund raising.

## Highlights

- Vietnam's economic indicators – what do they actually show us?
- VND & USD: money supply and the tightening of credit
- FDI and investment in Vietnam
