Re: Sponsorship for “Songs for Victims of Agent Orange”

Warmest greetings from Caravelle Hotel!

On 28 October 2006, The Caravelle will be organizing “Songs for Victims of Agent Orange”, a gala evening with charity purpose. All money raised from the event will be donated to the Vietnam Handicapped Children Relief Association chaired by Prof. Nguyen Tai Thu, in order to build a charity hospital to offer free treatment for handicapped children, victims of Agent Orange, in the South of Vietnam.

The charity dinner program includes the performance of the Hong Kong Welsh Male Voice Choir, comprised of 45 members, who will be flying into Ho Chi Minh City at their own expense. The Welsh Choir will perform their wonderful repertoire with popular Welsh folk songs for the evening while the Filipino Sapphire band and some famous Vietnamese singers contribute with their special performance. We also intend to hold a raffle and sell raffle tickets to raise more money for this charity purpose.

The management and staff of Caravelle Hotel will be providing venue and full service for the event as well as accommodation for the choir so that all money collected from ticket selling will be donated directly to Vietnam Handicapped Children Relief Association.

We would be most grateful if you could consider making a donation by cash or prize. In return for your contribution, logo of your organization will be printed on banners hanging on the stage area and name of your organization will be recognized during the evening.

For sponsorship, please fill up attached the form, fax back to number 8256956 or send back to us together with your company logo (JPEG) to hotel address or through email mcm@caravellehotel.vnn.vn .

I sincerely hope that you will support us in our endeavor to provide relief to the victims of Agent Orange with the construction of the hospital in order to offer the handicapped children, victims of Agent Orange a place for treatment and diminish misfortune of their family.

Thanking you in advance for the generous contribution.

Yours sincerely,

Guido A. J. Gydé
General Manager
