

## **EuroCham Business Briefing with Vice Minister Dang Huy Dong - Ministry of Planning & Investment “Vietnam’s FDI Trends and Policies 2010 – 2015”**

**Special sponsor: EUROCHAM’S MULTINATIONAL GROUP**

Vietnam estimates that Foreign Direct Investment (FDI) in 2011 will reach about 20 billion dollars. Our luncheon will address the following issues :

1. *What are the government’s overall objectives for FDI 2011-2015?*
2. *What are the core industries / supporting industries Vietnam should attract?*
3. *What incentives and policies will be provided to attract more FDI?*
4. *How can the private sector, and EuroCham’s members help?*

Register now and do not miss this special opportunity to discuss with Vice Minister Dang Huy Dong

Mr. Dang Huy Dong, Vice Minister of Ministry of Planning and Investment was born in 1957 and holds a master degree of Public Management and Economy. He has held many key positions in the MPI before becoming the Vice Minister. As Vice Minister, he is overseeing FDI issues, industrial-manufacturing- and special economic/export zones. He is also in charge of completing the legal framework for PPP projects and contracts, bidding management and related issues.
